

Talking about a test abstract

We are testing the system using an invented abstract. Aim of this is to test the system.

Professional Status of the Speaker

Postdoc

Interest in submitting a paper in a special issue of

Advanced Engineering Materials (Wiley)

Invitation letter for visa

Yes

Authors: Prof. SCHMITZ, Bea (FZJ); WEBER, KM Florentine (Jülich Supercomputing Centre (JSC))

Presenter: Prof. SCHMITZ, Bea (FZJ)

Session Classification: Pressure assisted sintering including Hot Pressing HP and Hot Isostatic Pressing HIP

Track Classification: Group 2: Pressure assisted sintering including Hot Pressing HP and Hot Isostatic Pressing HIP
