

Session Program

30 August 2026 to 3 September 2026

Sintering 2026

Pressure assisted sintering including Hot Pressing HP and Hot Isostatic Pressing HIP

Thursday 3 September

11:10

Pressure assisted sintering including Hot Pressing HP and Hot Isostatic Pressing HIP

Session | **Location:** Eurogress Aachen, Brüssel Saal

11:10-11:30

Grain Growth Kinetics of WC-Ni Cemented Carbides During HIP Sintering

Speaker

G M Sadrul Islam

11:30-11:50

Hot-pressing - a recovery mechanism to severe plastically deformed ceramic BiCuSeO

Speaker

Mr Gowtham Venkatesan

11:50
