

Session Program

30 August 2026 to 3 September 2026

Sintering 2026

Microwave sintering

Monday 31 August

16:30

Microwave sintering: (1)

Session | **Location:** Eurogress Aachen, Room K5

16:30–16:50

Microwave Sintering of $\text{Li}_{1.3}\text{Al}_{0.3}\text{Ti}_{1.7}(\text{PO}_4)_3$: A Fast and Efficient Route to Highly Conductive Solid-State Electrolytes

Speaker

Dr Andrés Mormeneo-Segarra

16:50–17:10

Microwave vacuum sintering of lunar mare regolith simulant LMS-1 for lunar construction

Speakers

Dr Dennis Harries, Dr Vibha Levin Prabhu

17:10
